Helpful Hints: Wait to combine the dressing with the salad until just before serving. Separately, both will keep in the fridge for a couple days. Drizzle the dressing over the strawberries and spinach, then toss.

Kids of all ages can help prepare this salad. Even preschoolers can tear the spinach leaves while older kids can help measure and use the blender to make the dressing. With everyone having a hand in preparation, they will be much more likely to taste and like this spinach salad.

Safety Tips: Fresh fruit and vegetables from the garden or farmer's market need special attention! Be sure to wash spinach leaves and strawberries well in a sinkful of cold water to remove sand and dirt. Dry on a clean paper towel before combining with other ingredients.
