

## Electric Mixer Safety

Before children use an electric mixer, it is important that they are shown how to use it safely. Be sure they know how to safely plug in and unplug an electric appliance, and that they can operate the mixer's control switch. It may take practice for a child to be able to scrape a mixing bowl with a rubber spatula and use the electric mixer—encourage them to stop the mixer and scrape the bowl, then restart the mixer.

For recipes: Contact your county extension office in Kansas or visit the website at [www.kidsacookin.ksu.edu](http://www.kidsacookin.ksu.edu)
